

Vocal Jazz Workshop

A New program for Summer 2022!

This program gives vocalists of all levels the opportunity to explore and deepen their understanding of jazz improvisation and advance their practical ability in the context of ensemble performance.

This year the in-person workshop is open to students 15 years and older as well as adults.

The vocal jazz program. will take place at the Red Barn at Southlands..

Audition - there is a placement audition process in place so that we can best assess all the students of the workshop before it begins so that we can be prepared with the best repertoire for you and the best keys for you to sing in. Also we will be writing some specific ensemble arrangements just for the participants of this workshop

South Delta Jazz Festival

Combo Classes

This year we are offering a blend of online and in-person components that features lessons, coaching sessions, and master classes with our South Delta Jazz Festival Faculty

JOIN US AT SOUTHLANDS

Our in-person combo rehearsals will be held at the Red Barn (pictured in the background) on the Southlands Development in Tsawwassen BC. The Barn is a modern new facility that will allow us to rehearse in a safe, socially distanced environment while observing all Covid related protocols

IN-PERSON JAZZ CHOIR

We will be custom tailoring some group vocal jazz arrangements to fit the group of singers we have to work with (that is why you will be providing some audition materials for us!).

COVERING THE BASICS

We will start each day with vocal and body warmups. Part of each day will be spent on sight singing and ear training. Also we will be going through individual song repertoire that will be arranged for you in the best keys for your individual voice..

NOON HOUR CONCERTS

Workshop participants will have the opportunity to work with our professional faculty rhythm section and teaching assistants to help guide you through the wonders of singing vocal charts (heads) and experimenting with vocal jazz improvisation.
